

Girl Scouts Of Central Illinois

Volunteers needed!

Help Girl Scouts dream big.

Change-makers. Trailblazers. Explorers. We're talking about Girl Scouts, of course, but we're also talking about the people who become Girl Scout volunteers.

See for yourself how empowering it is to be a role model. Look for Girl Scout volunteer opportunities near you—whether you're looking for short-term opportunities or to start a troop of your own, connect with your local Girl Scout council and start making an impact. (must be 18 or older to volunteer)
